Lifestyle considerations

Lake Erie

Resident lakefront deck and swim-dock access is part of the established setting; confirm current rights.

Golf and trails

Links-style golf, walking trails, pickleball and a leash-free dog run support active living.

Port Dover

Dining, shopping, services and Norfolk County routes support everyday life.

KNOW THE DISTINCTION

Active-adult wording describes community positioning; it does not prove a universal minimum-age rule. The announced 36,000-square-foot residents' centre remains planned in current official material. Keep future amenities labelled as planned until open, and confirm current access rights.

Test the daily-life fit in person.

Visit the exact home and surrounding routes; assess layout, condition, stairs, parking, outdoor space and green-space context; and check travel to preferred healthcare, groceries, recreation and family connections.

Use live discovery, then verify the property

Availability, prices, fees, taxes and property-specific rights can change.
