Please note that this worksheet is only an estimate. Thread and batting prices are dependent on what you choose and how much thread is used. Some patterns use more thread than others. If I can use roll batting versus packaged it is a little cheaper. Sometimes I offer specials on thread or batting. I will notify you when your quilt is completed with your final price. **You will also have the option of using your VISA, MC, DISCOVER or AMERICAN EXPRESS card if you pick up your quilt at my house when it is done.
