

COACHING FOR EVERY LEVEL OF LEADER

From emerging talent and single contributors to senior leaders and executives, Journey Forward provides personalized coaching that strengthens influence, emotional intelligence, personal brand, and strategic clarity.

PERSONALIZED COACHING THAT ELEVATES YOUR LEADERSHIP

Leadership growth begins with understanding who you are, how you lead, and where you want to go next. Coaching with Journey Forward helps you:

 Strengthen emotional intelligence and relational impact

 Build a confident, authentic personal brand

 Increase influence and communication effectiveness

 Gain clarity in decision-making and strategic direction

 Lead with purpose, alignment, and intention

HOW I SHOW UP FOR YOU AS YOUR COACH

Your coaching experience is grounded in partnership, presence, and purpose. You can expect:

- ▶ Full presence open, flexible, and fully engaged in your growth
- ▶ Competence and clarity grounded in leadership experience and proven development tools
- ▶ A trusted partner walking with you from where you are to where you want to be together, we will:
- ▶ Identify your current state and define your next level
- ▶ Unlock your Mission, Vision, Values, and Purpose (MVVP)
- ▶ Set meaningful growth goals that drive performance
- ▶ Identify barriers that stand between you and transformation
- ▶ Align goals with your core values for sustainable change
- ▶ Utilize talent assessments to deepen self-awareness
- ▶ Work through the 7 Building Blocks of Leadership Growth

My role is to partner with you throughout the journey supporting, challenging, and guiding you toward the next place you want to be.
