Tour Highlights

This carefully curated tour takes you to the most spectacular locations that New Zealand's South Island has to offer. Including guided tours of Christchurch, Queenstown and Dunedin, a TranzAlpine scenic train journey into the majestic Southern Alps to Arthur's Pass National Park, before descending through lush beech rainforest and into the West Coast town of Greymouth.

Enjoy a breathtaking helicopter ride amongst the Southern Alps, and fly into Milford Sound on an aircraft. As senior travel specialists, this tour offers stunning scenery without the endless walking to see the views. This tour is fully escorted with 2 of our senior crew to ensure a seamless experience.

 **Tour Duration**
10 days

 **Tour Departure**
Christchurch, NZ.

Exclusive tours to stunning destinations

This tour highlights all the key areas of the South Island's spectacular scenery and allows you to experience it from both the ground AND the air. You will have the best viewing platform as we use multiple modes of transport visiting the best of the Southern Alps.

See our website or your local Travel Agent for full details, current pricing, as well as our other tours.
