Key Improvements Made:

1. **Professional Formatting:** Used a clear table structure. This makes it much easier for the participant to see *what* to do and *when* to do it.
2. **Logic & Flow:**
 - **Phase 1 (Connection)** is clearly marked as "Mandatory/Foundations."
 - **Phase 2 & 3** are clearly marked as "Choices/Growth."
3. **Deadline Emphasis:** Crucial timeframes (72 hours, 3 days, 1 week) are now **bolded** so they aren't missed.
4. **Actionable Status:** Instead of just a check box, I added a "Date Completed" column. This creates a stronger sense of accountability and allows the coach to see the timeline of progress at a glance.
5. **Clarity on "Green":** I kept your instruction about coloring the box green but moved it to the top instructions so the main body of the document stays clean.
