## WHY CHOOSE TOP GUN?

*A Team for Every Age. A Level for Every Goal.*

Whether your child is just beginning, building confidence, or striving for elite competition, we carefully place athletes on teams that match their ability, commitment level, and long-term goals. We also understand that every family has different time and financial commitments. That's why our program structure is intentionally designed to provide options — allowing families to choose the level of involvement that best fits their season of life.

### More Than Cheerleading — A Complete Development Program

#### Experienced & Credentialed Coaches

Our coaches are trained in proper progressions, athlete development, and safety. All staff are CPR and First Aid certified and committed to continuing education.

#### Proven Athlete Development System

We focus on long-term growth — building strong foundations, advancing skills correctly, and preparing athletes for success at every level.

#### Character & Leadership Focus

Confidence. Accountability. Resilience. Teamwork. We intentionally develop life skills that extend far beyond the competition floor.

#### Positive, Structured Environment

We provide a safe environment that promotes the health and well-being of today's youth while creating memorable experiences that last a lifetime.

#### A Family Community

Once A Family, Always A Family. We support our athletes — and their families — every step of the way.

# ALL STAR PROGRAMS AT A GLANCE

## PERFORMANCE TEAMS

**Season Begins:** Anytime

**Ages:** 4-12

A great introduction to team performance.

- Focus on learning routines and performance skills
- No travel commitment
- Lower time and financial commitment
- Ideal for families wanting a structured team experience without full competition schedule

## EXPO (Twinkles)

**Season Begins:** August

**Ages:** 3-5

Perfect for our youngest athletes

- Introduction to All Star Cheer in a non-competitive environment
- Focus on fundamentals and performance skills
- Build confidence performing in front of a crowd
- Great first step into the All Star experience

## PREP (Beginner Level)

**Season Begins:** May or August

**Ages:** 5 to 15

For athletes ready for a competitive environment.

- Increased skill expectations
- Team expectations and accountability
- Balanced commitment level
- Ideal bridge between Expo or Performance and Elite

## ELITE (Advanced Level)

**Season Begins:** May

**Ages:** 5-19

For athletes committed to high-level competition and training.

- Advanced tumbling, stunting, and performance expectations
- Higher commitment level
- Local, Regional & Travel competitions
- Designed for athletes pursuing long-term excellence

No matter where your athlete begins, there is a clear pathway for growth within our program.
