# SIZING INFORMATION

## STANDARD STONE SIZES

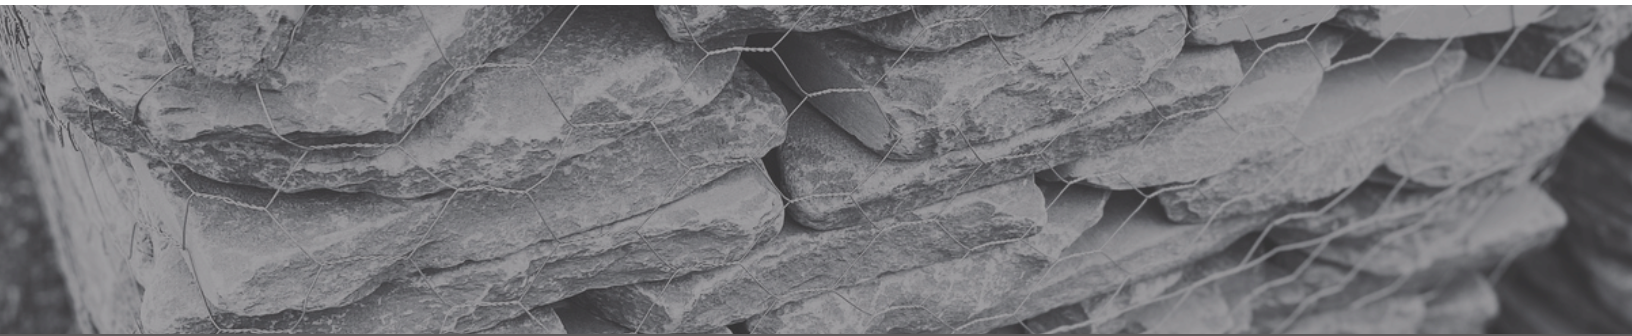

## SPECIALTY STONE SIZES

Availability of certain patterns can vary by stone type, **confirm with your Tradestone Rep. before proceeding.** The shaded sections show the repeat pattern. Where a pattern is more complex, several shaded areas are used to illustrate how it recurs across the surface.

Dimensions of natural stone pattern stock are nominal.

*Natural stone products inherently lack uniformity and are subject to variation in aesthetics, color, and finishes. Over time, they may chip, peel, flake, bleed, or oxidize due to exposure to natural elements. As such, Ideal does not warranty against these occurrences.*
