I have been following you on social media for many years. I love your story. You are such an inspiration to me and so many others. I have a creative offer for you today. I am a dad like you. I have 4 kids ages 19-23. What I do professionally is teach sales. I want to offer a private zoom class for your kids to teach them sales. The class would last for 30 minutes followed by any questions that they have. I believe the class could have a positive impact on the futures of your kids.

My intention in making this offer is simply to build relationship.

So and so is a friend of mine. I know you two know each other.

Would you be interested in discussing this further?

Warmly,

Eric Lofholm

I recently taught an online class on how to improve your prospecting skills. The class was very well received. Would you like to receive the replay?
