100-WORD BIO — APPROX. 91 WORDS

Glenn Torres is the Godfather of Acquisition Systems. He runs a 52-agent real estate team at eXp Realty — 41 active agents (79% activation), \$14.4M in YTD closed volume — built without spending a dollar on cold lead sources. Over \$19M+ generated for partners across his broader business. \$50M+ in audited client ad spend across four years. Grant Cardone Licensee; trained as one of 16 Grant Cardone 10X Elite Coaches worldwide earlier in his journey. Glenn doesn't sell motivation. 300-WORD BIO — APPROX. 289 WORDS

Glenn Torres is the Godfather of Acquisition Systems — the architect of the infrastructure that turns scattered real estate and marketing efforts into a system that compounds.

Born and raised in Puerto Rico, Glenn moved to Florida in 2003 to study culinary arts. He spent twelve years cooking in the kitchens of the Cheesecake Factory, Emeril's, the St. Regis, the Ritz-Carlton, and W Hotels. In 2012 he built a limo business with his wife Gintare. In 2015 he started a mobile car detailing business. Both businesses he built and sold.

Then everything fell apart. Glenn hit rock bottom in 2017 — sleeping on a friend's floor with his wife and two kids, then a hotel at \$800 a week. The turn started in Naples, Florida, when his family got approved for housing against bad credit and almost no income. From there, Glenn

started helping homeowners avoid foreclosure. Then hundreds of transactions. Then a partnership with Platinum Closing Agents.

In 2022 he became a Grant Cardone Licensee. By 2024 he had earned his certification as one of 16 Grant Cardone 10X Elite Coaches worldwide.

Today, Glenn runs a 52-agent real estate team at eXp Realty – 41 active agents (79% monthly activation), \$14.4M in YTD closed volume, built without spending a single dollar on cold lead sources. Across his broader business, \$19M+ has been generated for partners and \$50M+ in client ad spend has been audited.

Glenn doesn't sell motivation. He installs structure – the infrastructure that takes business owners and real estate agents from “trying” to “compounding.” He speaks regularly at Grant Cardone HQ, the 10X SuperLife in Dubai, and ConnectCon in Dallas, on topics ranging from acquisition systems to the personal arc from rock bottom to operating-grade business.
