At Ausdeck Building Systems...

Our part is the solution

So when it comes to outdoor living, we pride ourselves on knowing exactly what it takes to make life comfortable in Australia. Whether it's an area to relax on your own, somewhere to play with your children, entertain your family and friends, protect your car or caravan, or anything else. We can provide you and your builder with everything that's needed to bring your dream patio to life.

Why choose Ausdeck

Australian-owned & manufactured

We manufacture almost all of our products in-house with quality materials for dependable, consistent results every time.

Complete product range

Our complete range of building products means you don't need to source products from multiple suppliers to finish your project, saving you time and money.

Well-designed products

We pride ourselves on supplying and manufacturing well-designed building products that thrive in Australian conditions, ensuring lasting value for our clients.

Tailored solutions

Leveraging our expansive manufacturing capabilities, we tailor solutions to match your distinct needs, cultivating a competitive edge for our clients through enhanced time and cost efficiencies.

Responsive lead times

We guarantee responsive lead times on our products, so you can complete your project on time and on budget.

20+ years of experience

With a history spanning two decades of managing both small and large building projects, we promise you streamlined execution and timely delivery.

Gable

- Stylish and spacious with a classic look.
- Provides additional height, airflow and natural light.
- Offers unrestricted views.
- Can be freestanding or attached to your home.

Combination

- Highly customisable.
- Combines the benefits all roof designs.
- Suitable for large or odd shaped areas.
- Creates an architectural centrepiece.
- Can be freestanding or attached to your home.

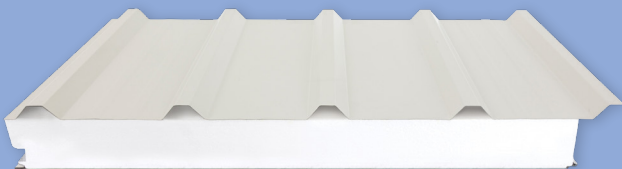

Roof Profiles

When choosing to build an Ausdeck patio, you have the option of Insulated Roofing or Single-Skin Roofing;

Insulated Roofing

A popular and innovative 3-in-1 roofing system that provides a roof, insulation and pre-finished ceiling in one modular product. It offers superior spanning capabilities and thermal properties, perfect for year-round entertaining and protection from the elements. Available in two roofing profiles, seven panel thicknesses and 18 stylish colours, this system offers superb design flexibility to meet your project requirements.

Ribbed Insulated Roofing

Corrugated Insulated Roofing

Features & Benefits

Excellent Spanning Capabilities

Spans of up to 9.6m* require less support beams to maximise views and the comfort of wide, open spaces.

Superb Thermal & Acoustic Properties

Enjoy year-round comfort outdoors with a roof that's cooler in summer, warmer in winter, and quieter in heavy rain and storms.

Modern Ceiling Finish

A smooth ceiling finish with low-profile joins offering a stylish and modern appearance that extends your home and elevates your outdoor entertaining area.

Wide Range of Colours

Choose from a palette of 18 stylish colours that perfectly complement your home.

Marine Plus Options

Our weather-tough, 5 layer protection system is designed to protect your investment in coastal and harsh environments.

15-Year Warranty

Manufactured in house from high-quality materials and backed by 15-year warranty for genuine peace of mind.*

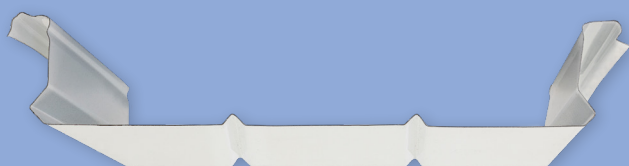

*Using 150mm Panel, N1 Wind Cat

*Marine Plus includes a site specific warranty.

Single-Skin Roofing

An affordable, stylish, and functional roofing system that can add space and value to any home. It features a high-gloss ceiling finish with an aesthetically pleasing VJ appearance. Made from high-quality steel and is available in a range of colours to suit your existing colour scheme.

V-Line Roofing

Features & Benefits

Economical Solution

A cost-effective and stylish roofing solution that can add value and comfort to your home.

High Gloss Finish

Available in 7 modern combination colours to complement your existing colour scheme.

Attractive Ceiling Design

Features an attractive VJ-like underside with a high-gloss finish for an aesthetically pleasing look.

Low Maintenance

Low-profile grooves and a high-gloss pre-painted finish makes it easy to clean and maintain.

15-Year Warranty

Manufactured in house from high-quality materials and backed by 15-year warranty for genuine peace of mind.
