TRICIA SIMONE VINCENT

Speaker / Executive advisor / Builder

Turning Complexity *Into What's Next.*

THE CONVERSATION

Tricia Simone Vincent connects enterprise transformation, AI work enablement, and leadership identity. A former enterprise program leader with experience spanning data science, DevOps, technology delivery, and governance, she helps teams turn strategy into actionable work. As founder of Launch Your Influence® and Influence Ops AI, she also helps leaders articulate the judgment and value behind their experience. Her speaking brings practical implementation, human accountability, and professional influence into one conversation.

SIGNATURE TOPICS

From Invisible to Invaluable

Human influence, recognized value, and leadership identity in an AI-saturated workplace.

From AI Curiosity to Governed Work

Practical AI work enablement, implementation, and the role of human oversight.

The Leader Behind the Change

Alignment, decision ownership, and people at the center of enterprise transformation.
