

3M™ FASARA™ Glass Finishes Frost Matte - SH2FRMAX

Product Description

3M Fasara Frost Matte (SH2FRMAX) is part of the Frost/Matte family of 3M FASARA. Frost/Matte films simulate frosted, sandblasted, or etched glass with a continuous appearance throughout. This decorative film can be used on vertical glass applications to control both light and privacy through a building's interior glass.

3M™ FASARA™ Glass Finishes are decorative window films that are available in 100+ designs. Fasara films provide the look of frosted, etched, cut, sandblasted, and textured glass at a fraction of the cost of custom glass.
