

TERMS OF SERVICE FOR REVOLUTION9

Last Updated: June 10, 2026

Welcome to REVOLUTION9. By accessing our landing pages, website, community portals, or purchasing our digital products (including the Entrepreneur Power Codes), you agree to comply with and be bound by the following Terms of Service. Please review them carefully.

1. Intellectual Property Rights

All content, materials, frameworks, worksheets, videos, and audio guides provided within our digital portals are the sole intellectual property of REVOLUTION9. You are granted a single-user, non-transferable, revocable license to access the materials for personal and internal business use only. You agree not to copy, redistribute, resell, share login credentials, or reproduce any part of our digital products without express written consent from us.

2. Digital Product Delivery & Access

Upon successful payment of your **\$81 USD** purchase (or current specified launch price), you will receive immediate access instructions sent to your provided email address. This digital portal access is cloud-hosted and subject to internet connectivity requirements. We make every reasonable effort to ensure continuous system uptime but are not legally responsible for temporary third-party hosting outages.

3. Refund Policy

We stand firmly behind the quality of the Entrepreneur Power Codes (EPC). Because this is an instantly downloadable and accessible digital product asset, refunds are subject to our standard **100% money-back guarantee** as stated clearly at checkout. To request an evaluation under this guarantee, you must reach out to customer support at **maria@revolution9.net** within the specified guarantee window from your initial purchase date.

4. Limitation of Liability

You explicitly agree that your use of, or inability to use, our digital products and frameworks is entirely at your own personal risk. In no case shall REVOLUTION9, our employees, or our partners be liable for any direct, indirect, incidental, or consequential damages resulting from your business choices, execution tracking, or implementation results.

5. Governing Law

These Terms of Service and any separate agreements whereby we provide you services or products shall be governed by and construed in accordance with the laws operating in our primary business jurisdiction.
