## **RECITAL PROCEDURES:**

Dancers need to arrive 15 minutes prior to the start of their show, dressed in costume with hair and makeup ready to perform. Upon arrival dancers will report directly to the hallway holding area, signs will be posted around the recital venue to direct parents where to drop off. Dancers will be dropped off at the hallway entrance, no parents will be allowed into the hallway (only room moms). For the dancer's safety there will be a security guard and an MLD teacher at the entrance of the hallway, stopping parents from entering. Each class will have their own designated holding area in the hallway to sit with room moms & teachers during the show. Dancers will remain in the hallway holding area for the entire show! For the dancers safety no parents will be allowed to pick up until after the show. At the end of the show parents will be dismissed from the audience by class to pick up their dancer from the holding area. Only one parent wearing the recital wristband will be allowed to pick up at the designated time. Dancers will be dismissed in order of the show, so please wait until your dancer's class is called to go to the holding area.

## **Finale:**

This year we are excited to add a finale to our annual Spring Recital! All classes ages 6+ will participate in a finale dance/bow at the end of the show! Upon entering the auditorium audience members will receive glow sticks to use during the finale to hype up the dancers on stage, congratulating them on an amazing show!

## **Costume Changes:**

MLD staff and room moms are not responsible for costume changes during the show. Any dancer under the age of 10 who has a costume change, we encourage a parent or guardian volunteer to be a room mom. If you are unable to volunteer to be a room mom, a parent will enter backstage on the right front side of the auditorium to change their dancer backstage. There will be a sign posted in the auditorium for costume change entrance.
