

Parents the week of May 11th-16th we will be having a modified class schedule. This week each class will be 30minutes long. Classes will start taking a group and individual photos with soho images and then will spend the rest of their 30 minute class doing a recital rehearsal. Dancers should arrive at their class time with hair & make up and dressed in their costume. All pictures will be held at the main studio (3805 W. San Miguel St). Please see your costume bag or the schedule below for your class picture/in studio rehearsal time. Pictures are optional to purchase however, all dancers need to attend their picture time slot as they will be working on the dance as a class and taking a group picture. If dancers are not able to attend their allotted time we will have a few make up time slots for individual pictures on May 16th. A sign up will be sent out via email closer to the time for make up pictures.
