THE LEADERSHIP EXPERIENCE

ARMED & UNVEILED • CHRIST-CENTERED LEADERSHIP

LEARN. LEAD. SERVE. MOBILIZE. MINISTER.

Prepare yourself to lead. Equip your community to respond to ideological challenges with Biblical conviction, clear understanding, and Christlike love.

The Squadron Leadership Experience is a Christian leadership and civic-readiness program for people who want to strengthen their families, churches, and communities. It prepares participants to understand and respond lawfully and peacefully to Political Islam as a political ideology and movement while recognizing that Muslims are people of equal dignity. Our foundation is Jesus Christ: truth without hatred, courage without intimidation, and conviction expressed through service.

TWO COMPLEMENTARY LEADERSHIP PATHWAYS

CREATOR-BEING LEADERSHIP

A 12-lesson journey in personal excellence and Biblical wisdom, organized around **BE** (character), **SEE** (vision), **DO** (purposeful action), and **HAVE** (stewardship). Develop integrity, self-discipline, loving leadership, resilience, meaningful relationships, generosity, and responsible stewardship of time, talents, and resources.

You gain: clearer purpose, stronger habits, leadership confidence, and a practical personal growth plan.

MOBILIZE AND MINISTER

A 12-month applied academy in local organizing, volunteer engagement, civic and government processes, public-office readiness, school-board and education issues, legislative advocacy, public-safety partnerships, community education, youth leadership, communications, and sustainable chapter development. Participants learn to assess political movements and public policy, engage institutions, and organize lawful, peaceful civic action.

You gain: local organizing plans, civic-engagement tools, community-service strategies, and skills for durable, values-led leadership.

MINISTER: SHARE THE LOVE OF CHRIST

Ministry is not a campaign against people; it is a calling to love our neighbors. Participants are equipped to share the Gospel of Jesus Christ with Muslims and people of every background through sincere relationships, humble conversation, prayer, hospitality, and compassionate service. We seek opportunities to explain the hope of Christ clearly when welcomed, listen respectfully, answer questions with gentleness, and serve without coercion or contempt. We can firmly challenge political ideologies and policies while honoring the dignity, freedom, and humanity of every person.

MORE THAN LESSONS: A LIVING LEADERSHIP COMMUNITY

The experience extends beyond workbooks through interactive workshops, live Q&A, facilitated discussion, peer connection, practical assignments, and community service. Participants practice creating personal leadership commitments, local chapter charters, 90-day organizing plans, maps of civic decision-makers, policy reviews, community education briefs, and sustainable service strategies. The standard is truth before outrage, people before politics, and constructive, lawful participation.

“Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect.”

1 Peter 3:15 (NIV)
