- “ This product works better than anything I’ve ever tried in my past weight loss journeys. It completely shuts down the “food noise.”

After one week I’ve lost 9lbs and the only “side effect” I’ve experienced is a major mood enhancement. I feel genuinely happy, as if I’ve had a natural endorphin or dopamine release. All I know is this stuff works.

- “ Update: down 3.6 in five days. I’m not hungry nearly as much as I used to be. And food noise is going away!!

- “ 6+ lbs! It’s been fluctuating but my clothes are loose and I wish I would have taken before pictures but I didn’t even think about it. My stomach is flatter and my love handles are almost nonexistent!!!

— Customer testimonial
- “ I’m down 8 pounds guys. I lost 3 in my first 3.5 days when I had the sample. Then I got the rest of my product and now I’m down another 5. So 8 pounds in 9 days.

I’m blown away. I have a scale picture but not sure I’m ready to post yet because I have been lying to my husband about how much I weigh for years.

— Customer testimonial
- “ As someone over 50 and a PhD chemist, I’m cautious about what I put in my body and I’m excited that in just a few days I’m already down 3 lbs of body fat, with no sugar cravings, great energy, and muscle staying up. GLP THREE finally feels like something that works with my body.
