BUDGET WORKSHEET

Budgets are the backbone of wedding planning, guiding every decision from venue to menu. Start with who is contributing, estimate each category, then track actual costs and payments as you book.

Even with financial limits, it's entirely possible to plan a wedding that matches your vision and wows your guests.

REMAINING

Go midweek or off-peak

Venues often offer lower rates on weekdays and in quieter months.

Rethink the full meal

Desserts, heavy hors d'oeuvres or stations can stretch your budget.

Lean on your coordinator

Venue pros know where to save without losing the wow.

Go digital

Digital invitations with RSVP tracking save printing and postage.
