TERMS AND CONDITIONS

SUPPORT PACKAGES TERMS AND CONDITIONS

This Agreement is made between Pranic Magic (“Service Provider”) and the Member (“Facilitator” or “Client”).

This Agreement shall be governed, interpreted, and construed in accordance with the laws of the Province of Quebec and the laws of Canada applicable therein.

Both parties agree to the following:

COMMITMENT & SUPPORT STRUCTURE

These packages are designed to provide ongoing operational, technical, administrative, and launch support for facilitators and conscious business owners inside the Pranic Magic ecosystem.

The intention of this support is to allow the Member to remain focused on their craft, teachings, ceremonies, and community, while backend systems, event logistics, and operational support are held with care and professionalism.

All packages operate as an ongoing collaborative relationship between the Ministry Service Provider and the Member.

The Member understands and agrees that:

- Support is collaborative in nature.
- Timely communication and delivery of assets/materials are required for projects and launches to move forward efficiently.
- Results may vary depending on the Member’s consistency, responsiveness, business model, audience, and implementation.
- No guarantees are made regarding revenue, attendance, launch results, or business growth.
- The Service Provider is responsible for execution and support within the agreed scope, but not for the Member’s financial outcomes or sales performance.

TERMS AND CONDITIONS

12-MONTH COMMITMENT

All Pranic Magic support packages are based on a 12-month commitment in order to create stability, continuity, and long-term operational support.

The yearly structure allows the Service Provider to properly allocate backend resources, Go High Level access, systems infrastructure, and support capacity.

Members may choose between:

- Monthly recurring payments (12-month commitment)
- Paid-in-full yearly option (discounted pricing)

The Members understands that signing up for a package constitutes a commitment for the full 12-month term.

ACTIVE MEMBERSHIP REQUIREMENT

The VA Priestess Packages are exclusively available to active members and facilitators within the Pranic Magic ecosystem.

The Client understands that these support packages are designed specifically for businesses, facilitators, events, and offers aligned with the Pranic Magic infrastructure and community.

Pranic Magic reserves the right to accept or decline support requests that are outside the scope, values, or operational alignment of the ecosystem.

SETUP & ONBOARDING FEE

A one-time setup and onboarding fee may apply prior to the beginning of services.

This fee is not included in the monthly package pricing.

The onboarding process may include:

- Go High Level account setup
- Pipeline and automation configuration

TERMS AND CONDITIONS

- ▷ Domain connections
- ▷ Calendar integrations
- ▷ Email integrations
- ▷ Workflow customization
- ▷ Backend organization
- ▷ Importing assets or contacts
- ▷ Initial strategy and infrastructure setup

The onboarding fee varies depending on the complexity of the Client's ecosystem and requested setup requirements.

This fee is non-refundable once onboarding work has begun.

GO HIGH LEVEL ACCESS

All packages include access to the Go High Level platform ("GHL"), including pre-built templates, automations, and backend infrastructure provided by Pranic Magic.

The Member understands:

- ▷ GHL access remains active only while the package subscription is active and payments are up to date.
- ▷ Accounts, workflows, templates, automations, funnels, and systems created within the Pranic Magic ecosystem may rely on proprietary templates and infrastructure.
- ▷ Certain templates, workflows, automations, snapshots, and backend assets remain intellectual property of Pranic Magic.
- ▷ The Member retains ownership of their own branding, content, mailing lists, and business materials.

HOW VA SUPPORT WORKS

Each package includes a dedicated monthly time allocation.

Support hours can be used flexibly based on the Member's priorities during that month.

Examples include:

- ▷ Event setup
- ▷ Landing pages
- ▷ Zoom integrations

MONTHLY HOURS & USAGE

Starter Portal: Includes up to 5 support hours/month

Expansion: Includes up to 10 support hours/month

Temple: Includes up to 14 support hours/month

Hours are tracked internally by the Service Provider.

PACKAGE UPGRADES, DOWNGRADES & PAUSING

The Client may upgrade to a higher package at any time, subject to availability and scheduling capacity.

Requests to downgrade to a smaller package require a minimum of thirty (30) days written notice prior to the next billing cycle.

Downgrading a package may result in:

- ▷ Reduced support availability
- ▷ Reduced turnaround times
- ▷ Removal of certain support priorities or deliverables

TERMS AND CONDITIONS

No refunds are offered for partially used months or previously completed work.

However, the Client may choose to transition to a smaller package instead of cancelling services entirely, subject to the 30-day notice requirement.

PAUSING VA SERVICES

If the Client wishes to pause or discontinue VA support services while maintaining access to their Go High Level account and backend infrastructure, the Client may transition to a GHL-only maintenance plan.

GHL Maintenance Plan:

▷ \$99 USD/month

This plan includes:

- ▷ Continued access to the Go High Level platform
- ▷ Hosting of funnels, automations, contacts, and backend systems
- ▷ Preservation of account infrastructure and data

This maintenance plan does not include VA support hours, design work, event setup, launch support, or administrative services.

A minimum of 30 days written notice is required prior to pausing VA services or transitioning to the maintenance plan.

UNUSED HOURS

Unused hours do not roll over to the following month unless otherwise agreed in writing. This structure ensures healthy scheduling capacity and availability for all active members.

ADDITIONAL HOURS

If additional support beyond the monthly allocation is required, extra hours may be purchased separately based on availability.

TERMS AND CONDITIONS

Additional support hours are billed at:

\$65 USD/hour

Priority or urgent requests may require additional fees depending on turnaround expectations.

TURNAROUND TIMES

The Member understands that support requests require reasonable turnaround time.

General timelines:

- Minor edits/support requests: 24h – 5 business days
- Landing pages/events/automations: 5–10 business days depending on complexity
- Launches or large projects: timeline determined collaboratively

The Member agrees to provide all required assets, copy, graphics, links, and information in a timely manner.

Delays in communication or asset delivery may impact timelines.

COMMUNICATION

Communication and support are conducted primarily through:

- Telegram
- WhatsApp
- Email
- Loom/video walkthroughs
- Zoom calls (when applicable)

Support is provided during regular business hours unless otherwise agreed upon.

PRIORITY SUPPORT

Expansion and Temple tiers include priority support status.

TERMS AND CONDITIONS

Priority support means:

- Faster turnaround times when possible
- Priority placement in workload scheduling
- Greater flexibility during launches/events

This does not constitute 24/7 availability.

EVENT & LAUNCH RESPONSIBILITY

The Service Provider supports the technical and operational aspects of launches and events.

However, the Member remains responsible for:

- Event facilitation
- Marketing visibility
- Audience engagement
- Sales conversations
- Delivering services/programs/ceremonies

The Member understands that successful launches and events are collaborative efforts.

CONFIDENTIALITY

The Service Provider agrees to keep all business information, login credentials, financial information, customer information, launch data, and internal business operations private and confidential.

Both parties agree to maintain mutual professionalism and discretion throughout the relationship.

PAYMENT TERMS

- Payments are automated recurring monthly payments unless paid yearly in full.
- Payments are non-refundable.
- Failure to complete payment may result in paused support and/or suspension of GHIL access until payment is resolved.
- The Member agrees to complete the agreed contractual term.

TERMS AND CONDITIONS

PAYMENT TERMS

- ▶ Payments are automated recurring monthly payments unless paid yearly in full.
- ▶ Payments are non-refundable.
- ▶ Failure to complete payment may result in paused support and/or suspension of GHL access until payment is resolved.
- ▶ The Member agrees to complete the agreed contractual term.
- ▶ Payments are automatically billed monthly unless paid yearly in full.
- ▶ Setup and onboarding fees are separate from monthly support fees.
- ▶ Downgrades, pauses, or transitions to the GHL-only maintenance plan require 30 days written notice.
- ▶ No refunds are offered for completed work, partially used support hours, onboarding fees, or active billing periods.

TERMINATION

Either party may choose not to renew the Agreement after the 12-month term. Early termination requests before completion of the contract term do not remove the Member's financial responsibility for the remaining agreement balance unless otherwise agreed in writing.

EARLY TERMINATION & EXIT FEE

The Client understands that onboarding, backend setup, infrastructure allocation, template customization, strategic planning, and operational preparation require a significant investment of time, energy, and resources from Pranic Magic.

In the event that the Client chooses to terminate the Agreement before the completion of the 12-month commitment, the following conditions apply:

- ▶ A minimum exit fee of \$1111 CAD will apply.

TERMS AND CONDITIONS

► The exit fee does not replace any outstanding unpaid invoices or remaining balances owed under the Agreement.

► Access to Go High Level systems, automations, templates, and Pranic Magic infrastructure may be revoked upon termination.

► Any transfer, export, migration, or offboarding work requested by the Client will be billed separately at the current hourly rate.

This clause exists to protect the operational investment, backend infrastructure, strategic setup, and reserved support capacity allocated to the Client.

INTELLECTUAL PROPERTY & BRANDING

The Client understands that Pranic Magic provides access to proprietary systems, templates, workflows, branding elements, automations, strategies, processes, documents, and operational infrastructure developed by Pranic Magic.

Unless otherwise agreed in writing:

► All Pranic Magic branding, templates, backend systems, workflows, automations, snapshots, graphics, frameworks, documents, and operational methods remain the intellectual property of Pranic Magic.

► The Client may use these materials solely within the scope of their active support relationship with Pranic Magic.

► The Client may not reproduce, resell, duplicate, distribute, teach, sublicense, copy, or commercially exploit Pranic Magic proprietary assets without written permission.

► Upon termination of the Agreement, Pranic Magic reserves the right to revoke access to proprietary systems, templates, workflows, and branding assets.

The Client retains ownership of their own original content, teachings, offers, customer lists, logos, and business intellectual property provided by them during the collaboration.

Pranic Magic retains the right to showcase general non-confidential project work, designs, or systems for portfolio or marketing purposes unless otherwise agreed upon in writing.

TERMS AND CONDITIONS

FEEDBACK & COLLABORATION

The Member agrees to communicate openly regarding support needs, expectations, and priorities.

If adjustments are needed to improve workflow or collaboration, both parties agree to address them respectfully and collaboratively.
