

Courage

doesn't mean

you're
not scared

it means

you
keep going

anyway

Confidence
grows

every time

you do
something
that felt

scary

before

You are
allowed to
grow
at your
own
pace

*You are
becoming
someone
amazing,
one choice
at a time.*

You
don't need
to
Compare

your path

to

anyone
else's
