

Believe

in the

Woman

you are
becoming

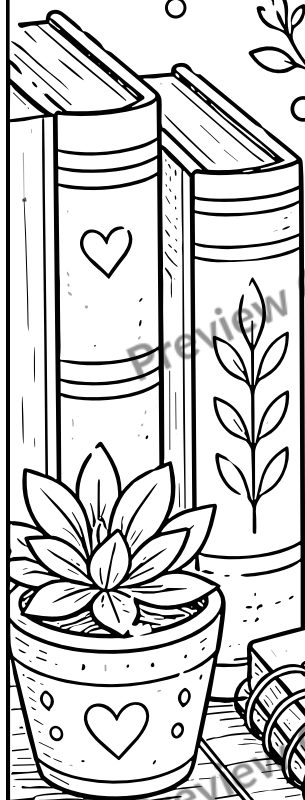

Small
choices

today

build
the life you

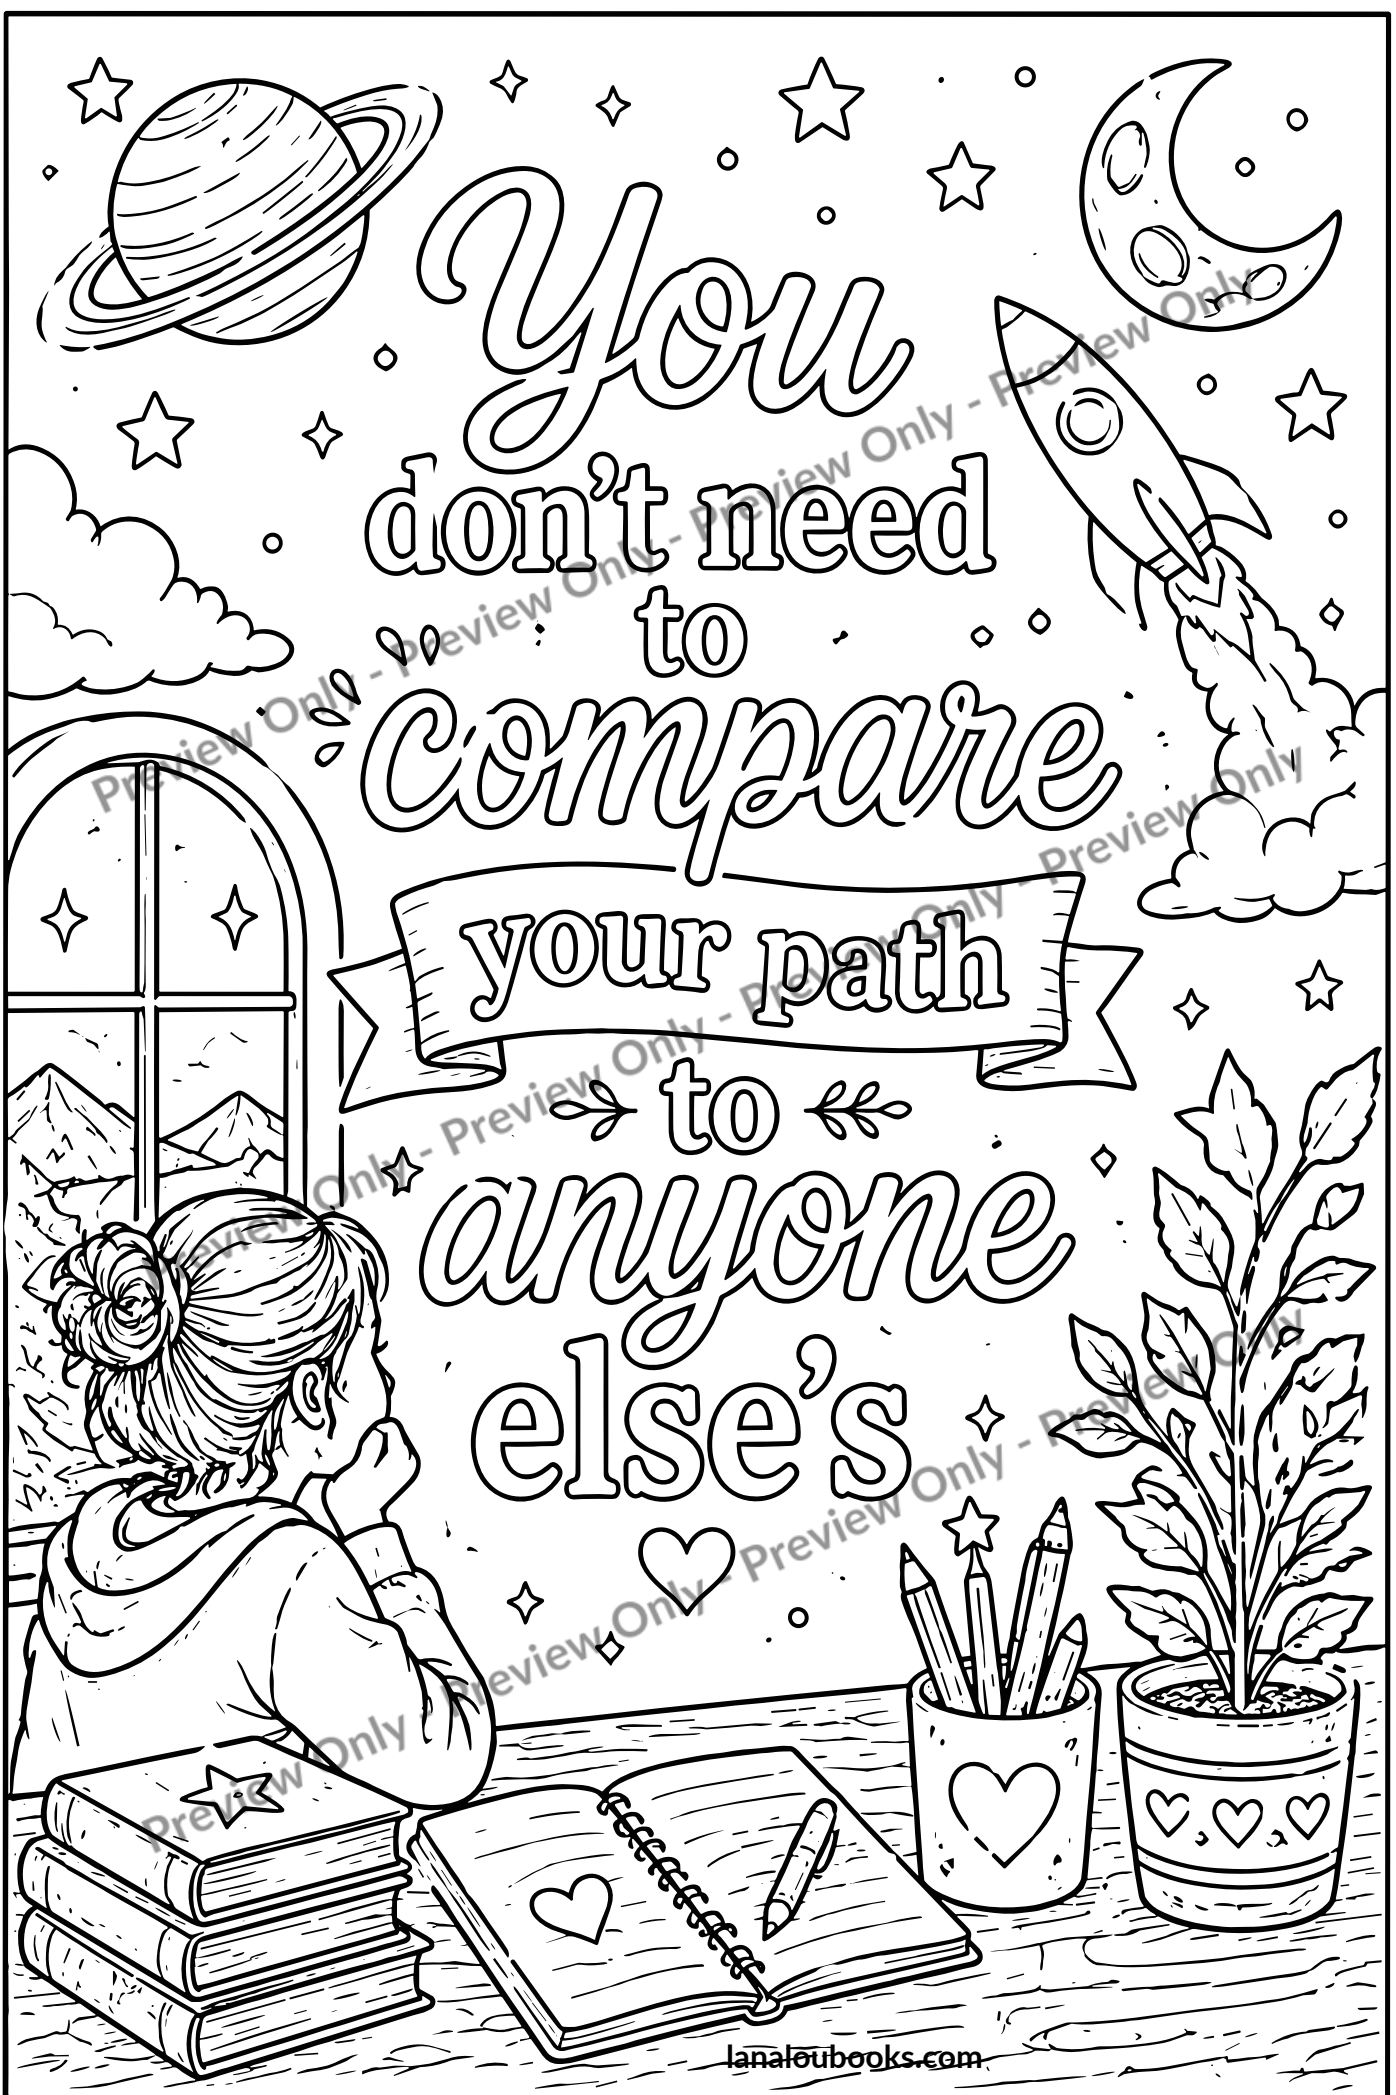

live
tomorrow

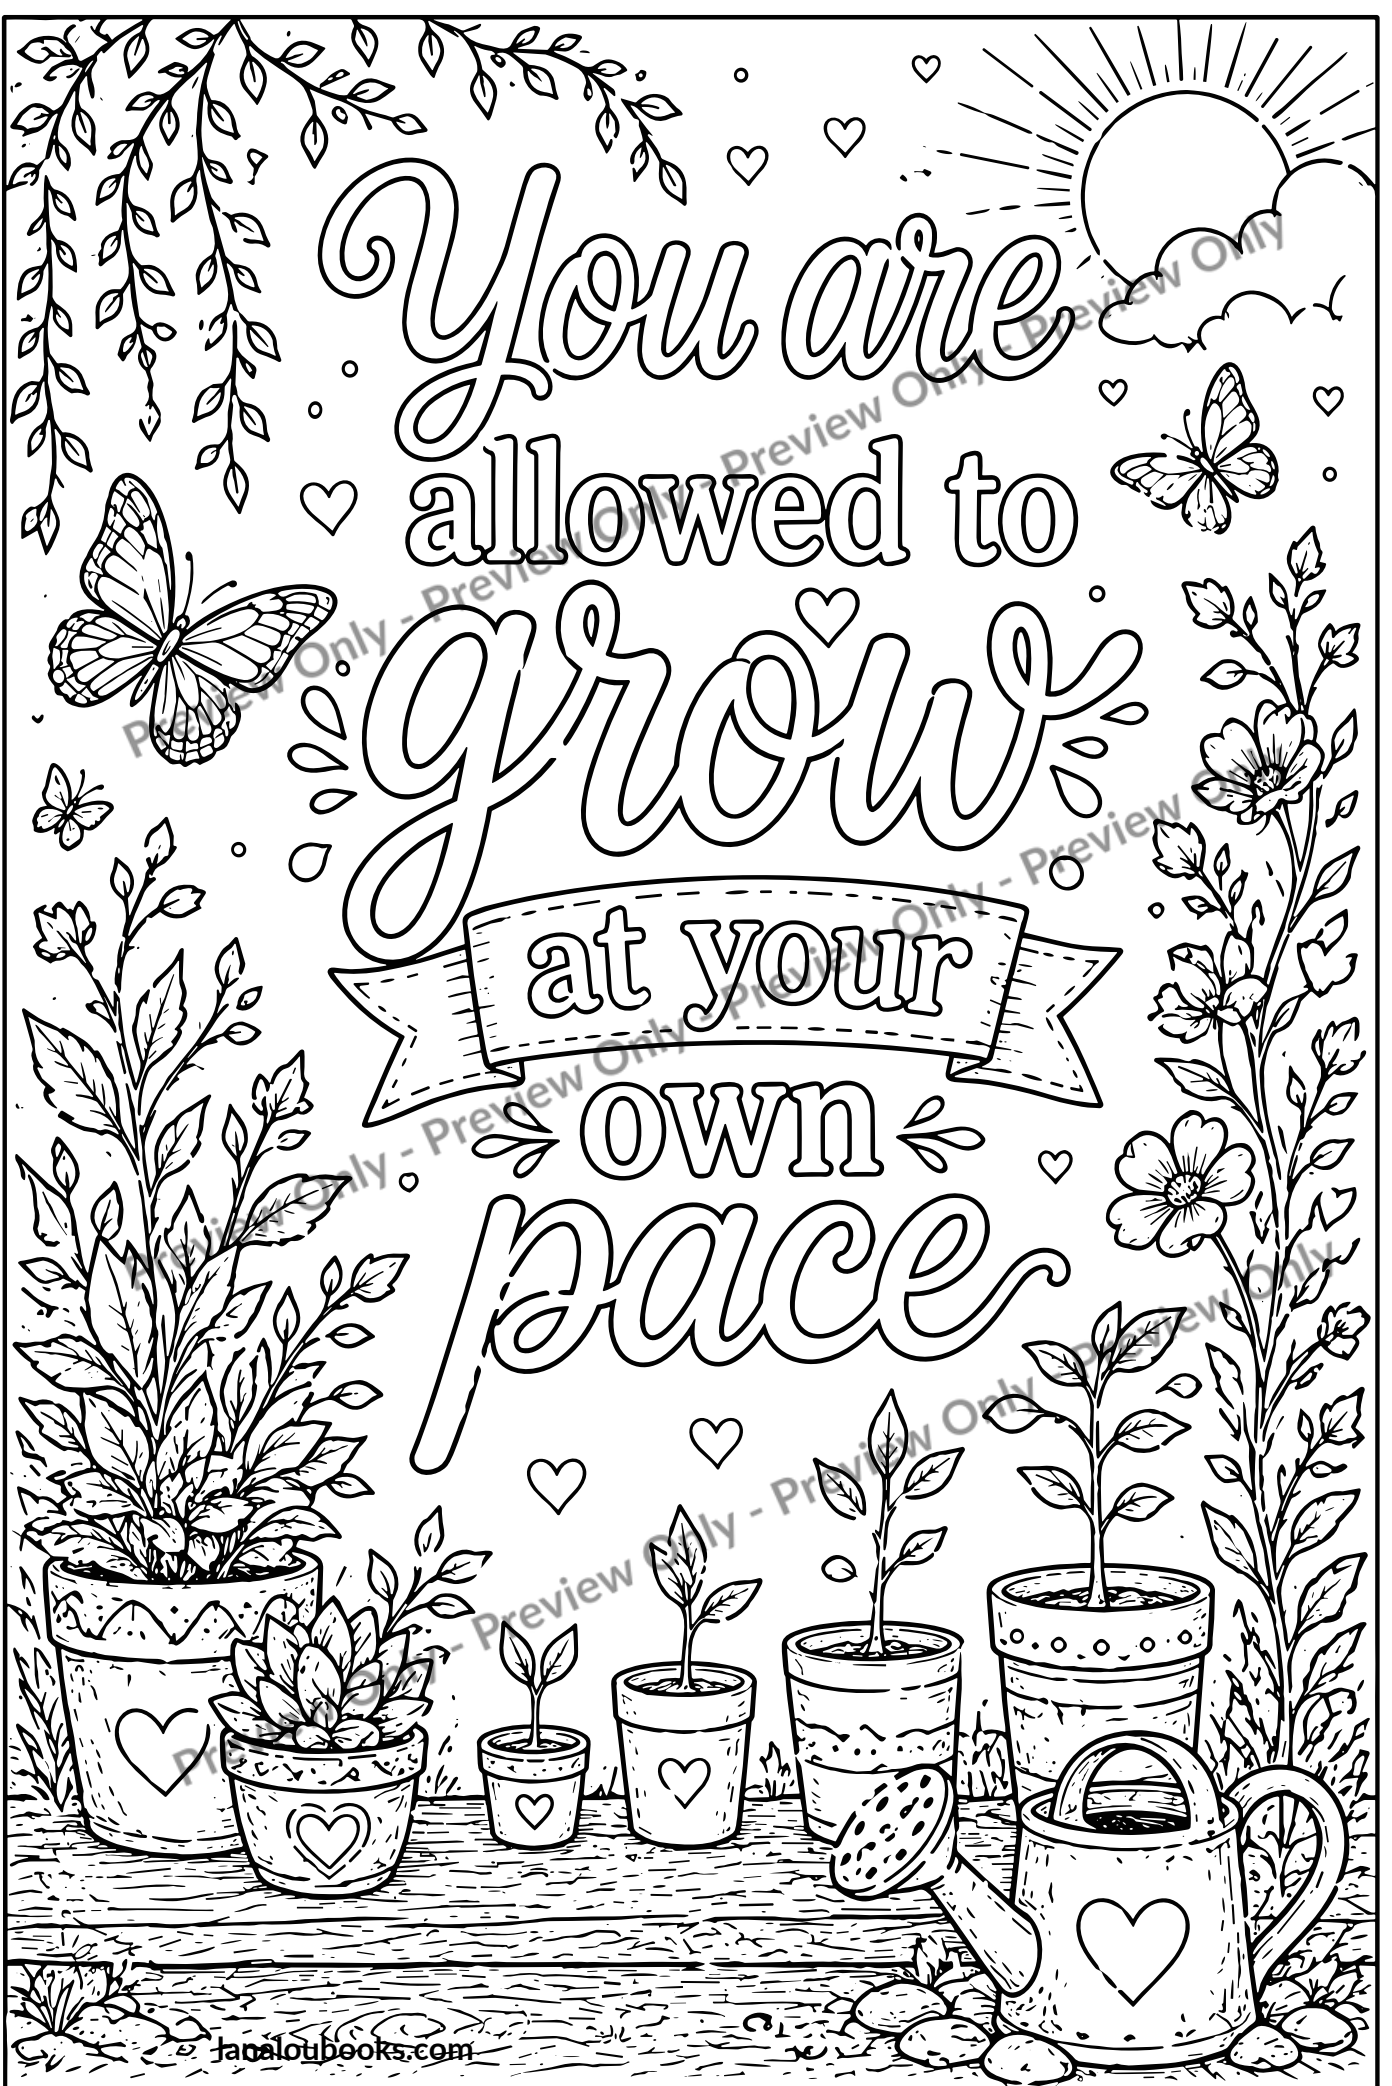

You are
becoming
someone
amazing,
one choice
at a time.

You
don't need
to
compare
your path
to
anyone
else's

You are
allowed to
grow
at your
own
pace

What
you

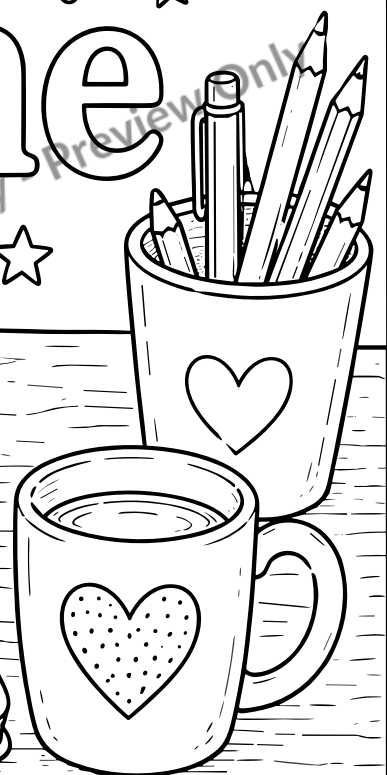

practice,

you

become

The
effort

you give

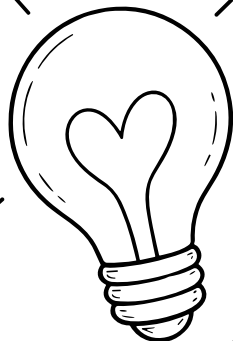

today

creates

opportunities

tomorrow

It's okay

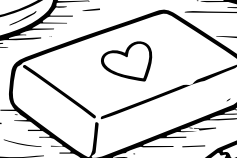

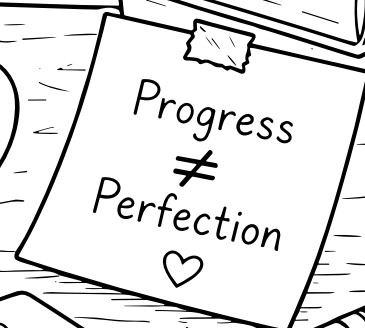

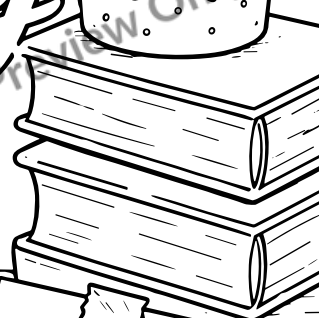

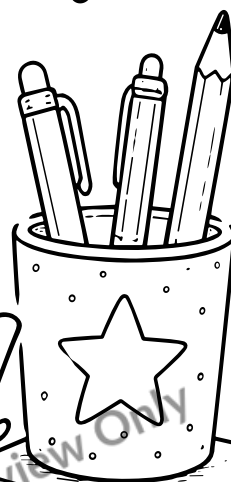

to make

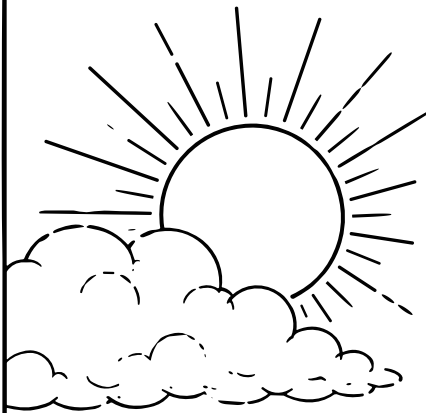

mistakes...

just don't

stop
learning
from them

Courage

doesn't mean

you're

not scared

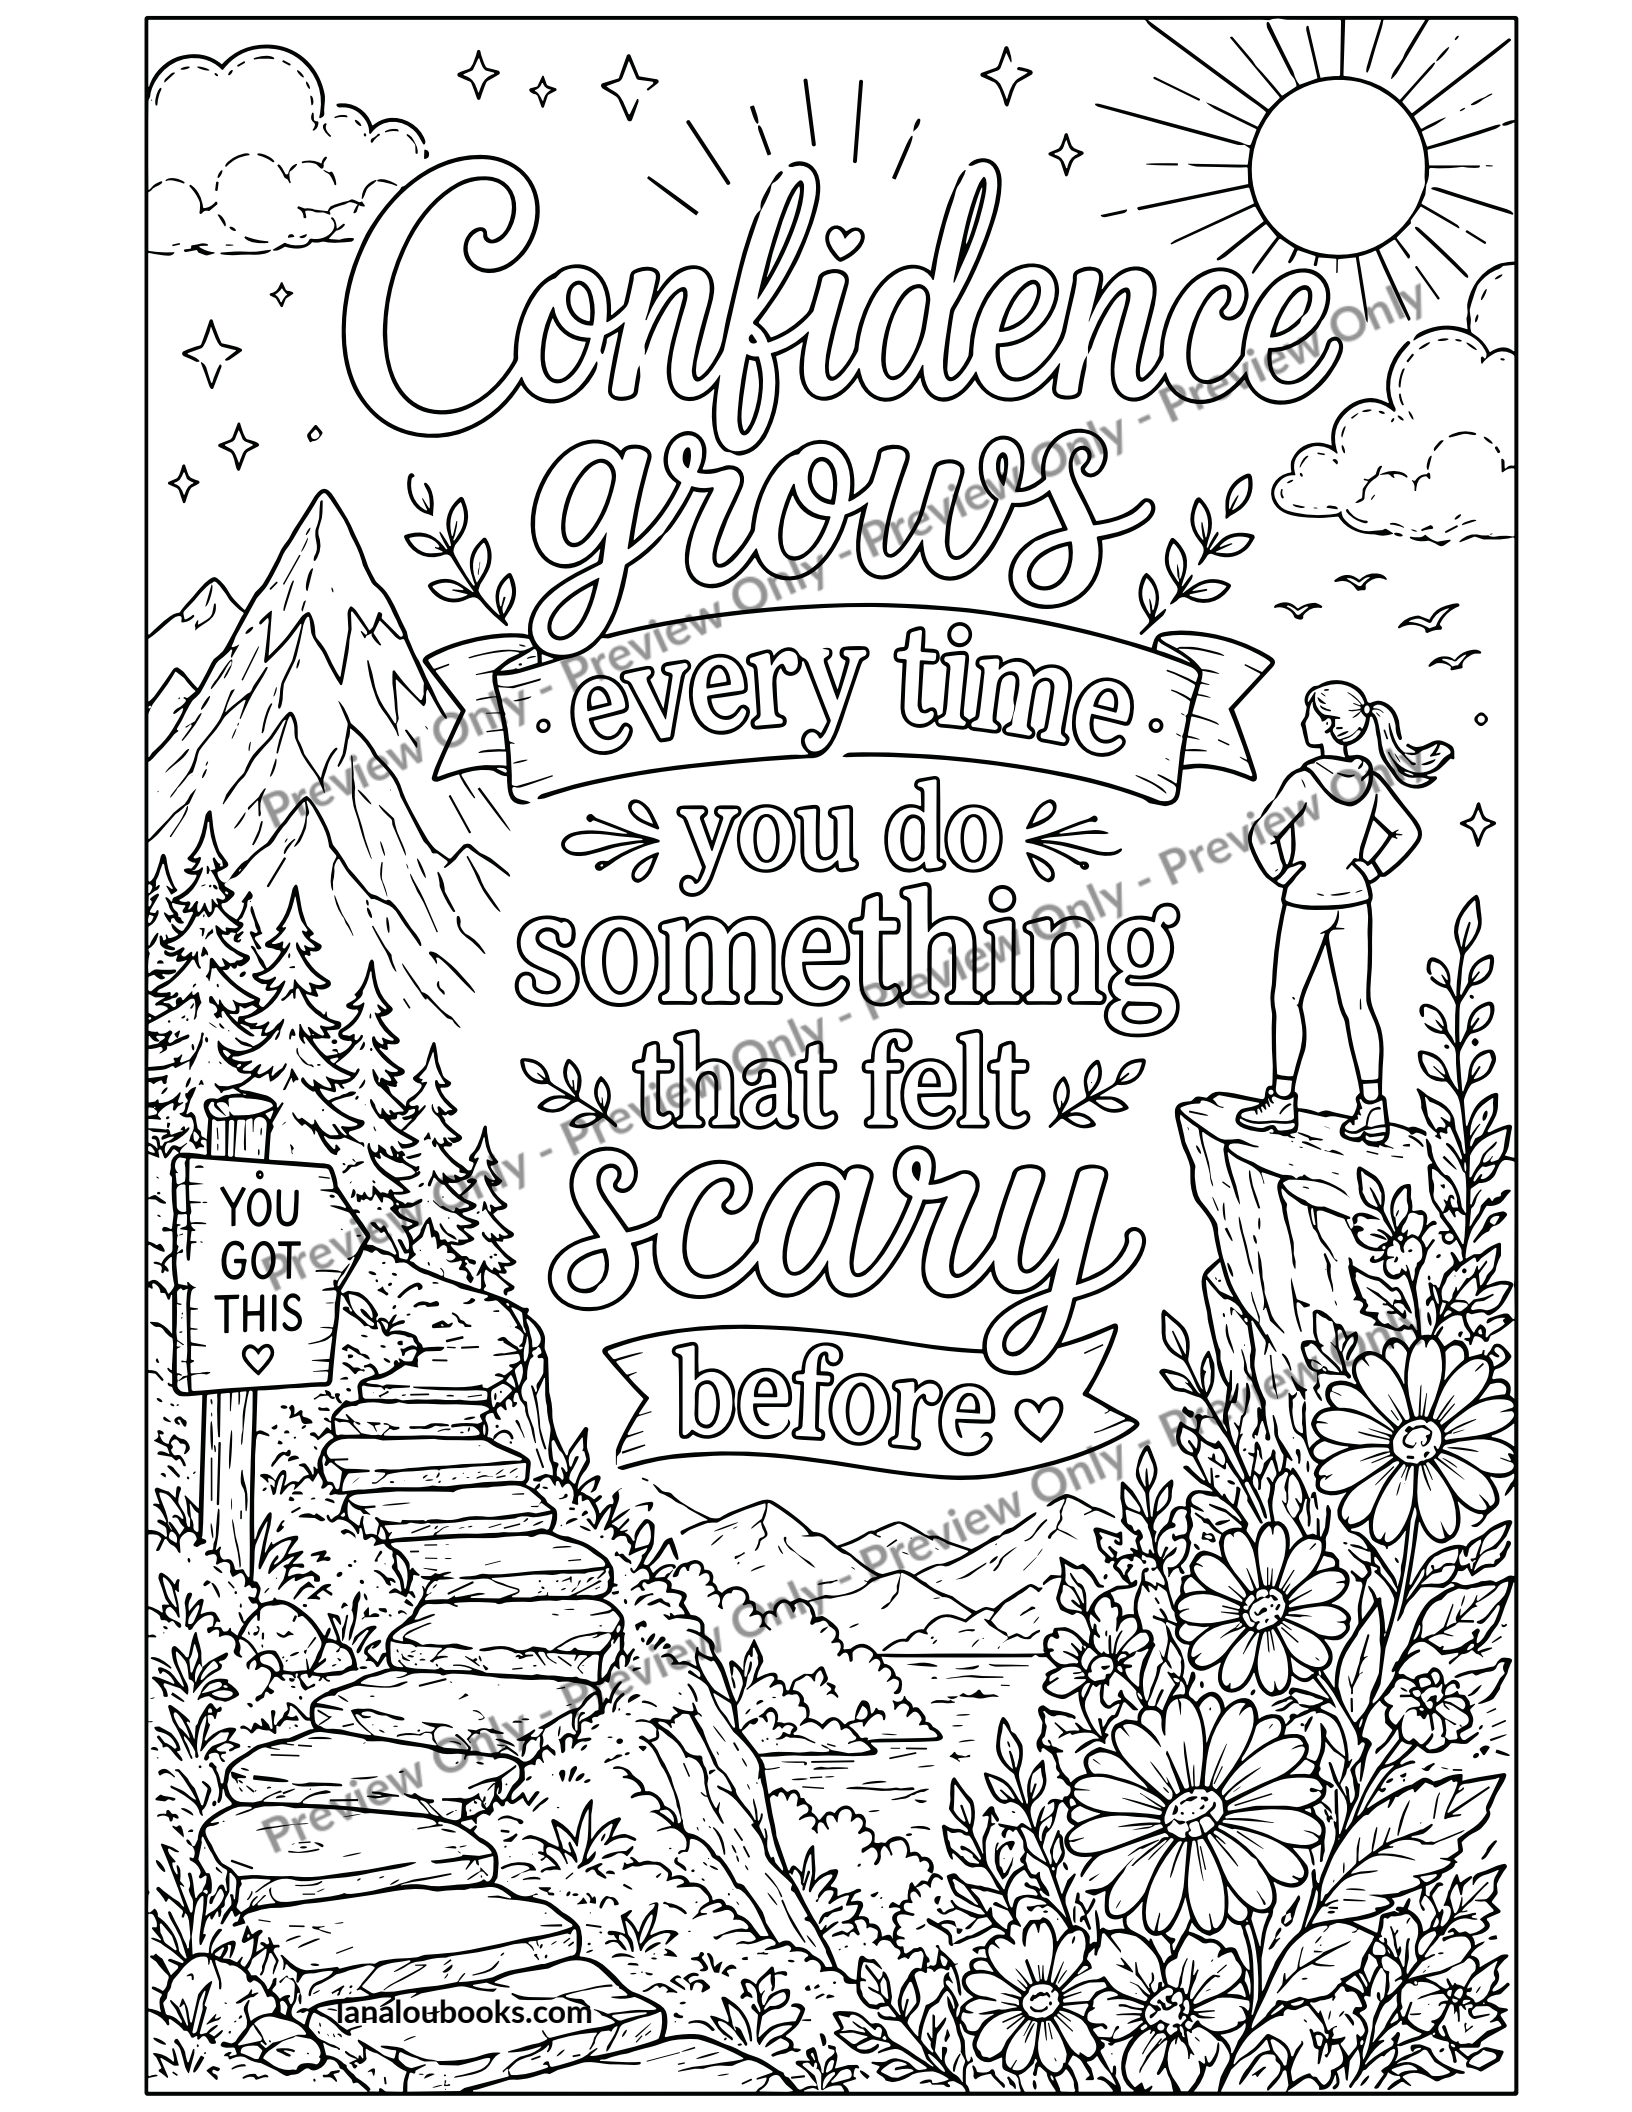

it means

you

keep going

anyway

Confidence
grows

every time

you do
something
that felt
scary
before

YOU
GOT
THIS
