A 90-Day Transformation Guide to  
Clarity, Alignment & Sustainable  
Performance

My coaching will provide a  
confidential space to **explore  
complexity, test ideas, and elevate**  
your leadership impact. Together,  
we'll develop the mindset,

define next-level leaders.

### **STRATEGIC THINKING**

- Ask “**What’s the game we’re playing?**” before deciding how to win it
- Translate strategy into clear, measurable priorities for your team
- Step back regularly to see patterns, not just problems

### **ORGANIZATIONAL DESIGN & ALIGNMENT**

- Build systems that grow with your goals
- Strengthen cross-functional collaboration
- Ensure communication reinforces clarity, not confusion

### **LEADING THROUGH INFLUENCE**

- Build strategic relationships across functions and levels
- Use data and storytelling to shape understanding
- Help others see the “why” behind your ideas

### **RESETTING LEADERSHIP HABITS**

- Recognizing triggers that pull you into reactive patterns
- Delegating with clarity and confidence
- Re-centering on purpose and values when pressure rises

## **YOUR NEXT LEVEL STARTS NOW!**
