› Voluntary Critical Illness Insurance

An unexpected critical illness can have a lasting impact on you and your family – physically, emotionally and financially.

As an active employee of Whoa & Co., Inc., you can give your family the extra security they need to lessen the financial impact of a serious illness by purchasing Critical Illness insurance through United of Omaha Life Insurance Company.

A critical illness insurance policy provides a lump-sum cash benefit upon diagnosis of a critical illness like a heart attack, stroke or cancer. The benefit can be used to pay out-of-pocket expenses or to supplement your daily cost of living.

How much insurance is enough?

Even if you have the best health insurance plan, it will not cover 100 percent of medical expenses. You also need to consider other expenses associated with the recovery process – time off work, travel to treatment centers, home modifications – that may quickly deplete your savings.

› Voluntary Hospital Indemnity Insurance

When you're hospitalized, expenses can add up quickly.

Hospital stays can be stressful and having to worry about the high costs of hospitalization should not be part of the recovery plan. Hospital Indemnity insurance helps to ease your mind about handling hospitalization costs – even if they are not hospital bills.

A hospital indemnity insurance policy supplements your medical coverage and provides a cash benefit for hospital related fees you or an insured family member sustain as a result of being hospitalized. This benefit can be used to pay out-of-pocket medical expenses, help supplement your daily living expenses and cover unpaid time off work.

As an active employee of Whoa & Co., Inc., you have hospital indemnity coverage for yourself and your family members, and premiums can be deducted from your paycheck. Hospital indemnity supplements your existing health insurance coverage by helping pay for out-of-pocket expenses incurred due to an injury or illness that may not be covered under other insurance plans.

Coverage guidelines and benefits are outlined below.

This insurance offers financial protection by paying a cash benefit if you or an insured dependent are hospitalized. The benefit amount payable is the same for you and your insured dependent(s).

IMPORTANT: This is a fixed indemnity policy, NOT health insurance. This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care. The payment you get isn't based on the size of your medical bill. There might be a limit on how much this policy will pay each year. This policy isn't a substitute for comprehensive health insurance. Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance. **Looking for comprehensive health insurance? Visit [HealthCare.gov](https://www.healthcare.gov) or call 1-800-318-2596 (TTY: 1-855-889-4325) to find health coverage options.** To find out if you can get health insurance through your job, or a family member's job, contact the employer. **Questions about this policy?** For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments." If you have this policy through your job, or a family member's job, contact the employer.
