

CRN

CHRISTIAN REVIVAL NETWORK

ONE NETWORK. ONE MISSION. GLOBAL HARVEST.

Connecting the Body of Christ to see revival reach every nation.

WHAT IS CRN?

A network built around revival.

Christian Revival Network connects believers, churches, ministries and leaders around one mission: lifting up Jesus Christ and carrying the message of revival across communities, cultures and nations.

WHY IT MATTERS

Revival was never meant to remain isolated.

God is moving across the nations. CRN creates a place for those carrying the message to find one another, encourage one another, share what God is doing and carry it farther together.
