

FROM REVIVAL TO GLOBAL HARVEST

To Every Nation. For All Nations.

Revival awakens the heart. Fruit becomes the witness. Testimony travels.
The Body connects. Partnership mobilizes. The Harvest becomes visible.

THE HARVEST IS HIS.

**“The Harvest is not ours to manufacture.
It is His to bring forth.”**

We are not building our own kingdom. We are learning to recognize what God is already doing —
and to serve it faithfully.

THE POSTURE

WE BEGIN WHERE THE DOOR OPENS.

We do not force expansion. We respond to invitation, honor relationship, and serve what God is already doing.

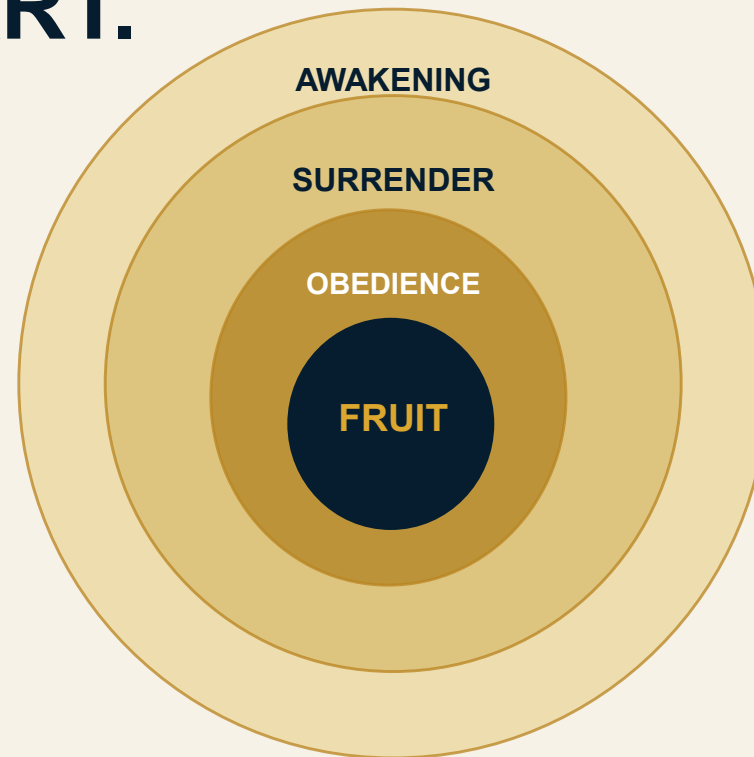

THE OPEN DOOR CHANGES. THE POSTURE DOES NOT.

REVIVAL & SPIRITUAL
AWAKENING

REVIVAL BEGINS IN THE HEART.

**Before the Harvest moves through nations,
revival moves through hearts.**

Awakening is not simply emotion. It is the heart turning
turning again toward the King — and what changes within
within begins to shape what becomes visible without.

*What God changes within becomes visible through
the fruit of a life.*

THE WITNESS

FRUIT BECOMES THE WITNESS.

When revival is real, something becomes visible.

WHAT FRUIT REVEALS

- A heart has awakened
- Priorities have shifted
- Obedience is becoming visible
- Love, truth and courage are multiplying

FRUIT GIVES TESTIMONY A VOICE.

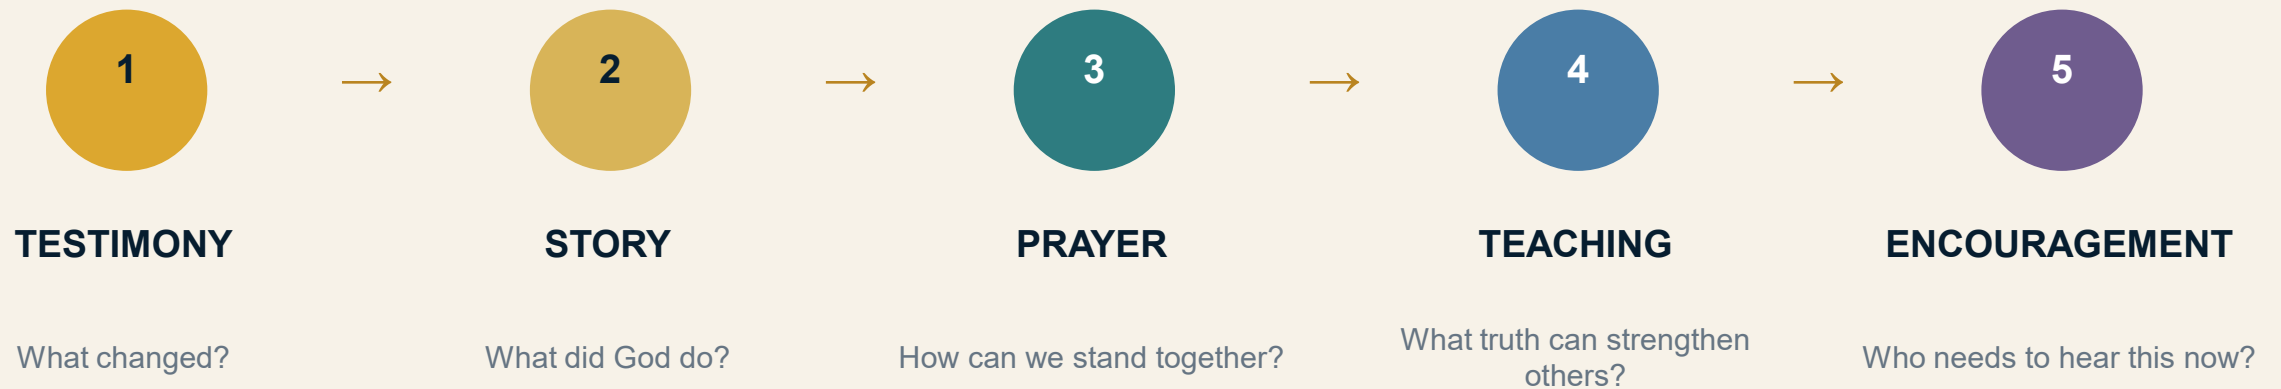

Changed lives become evidence that others can see, hear, recognize — and carry forward.

THE FRUIT IS THE WITNESS.

THE STORY

TESTIMONY MAKES THE HARVEST VISIBLE.

What God is doing in one person, church, ministry or nation should not remain hidden.

A testimony can cross an ocean. A ministry can find a partner. A leader can strengthen another nation.

THE CARRIER

MEDIA CARRIES THE MESSAGE.

VIDEO IS NOT THE MESSAGE. IT IS A DOORWAY.

Technology serves the mission when it helps a faithful message travel farther without replacing relationship, discipleship or the Body of Christ.

ONE MESSAGE. MANY DOORS.

Media helps what God has already entrusted to a ministry become visible, searchable, shareable and translatable.

NOT CONTROL. NOT OWNERSHIP.

KINGDOM RELATIONSHIP.

HONOR

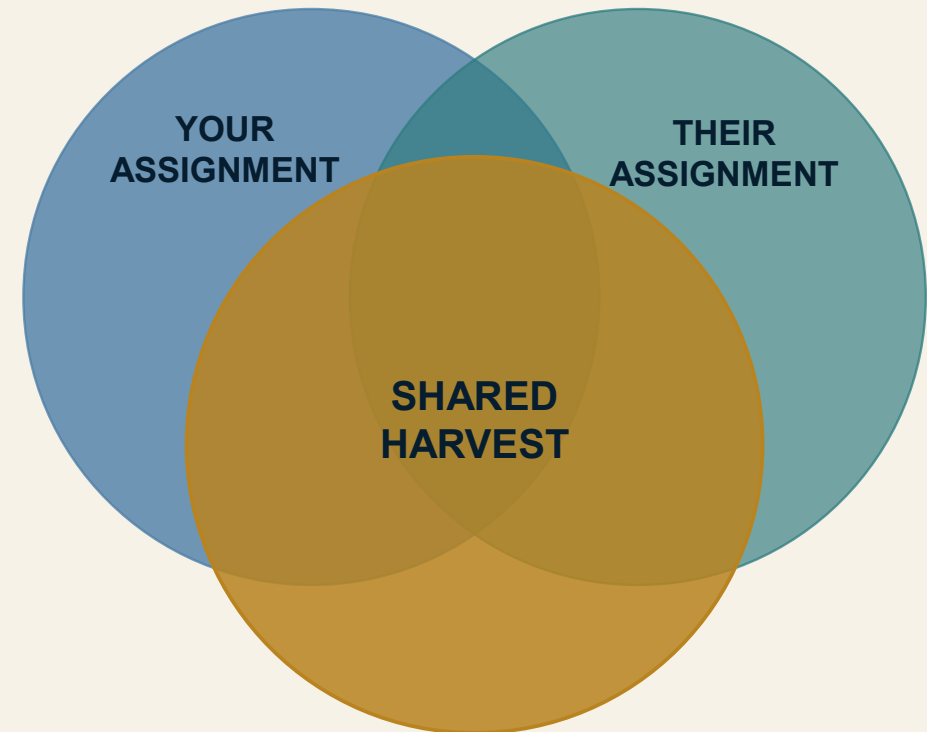

We recognize what God has entrusted to one another.

TRUST

Relationship grows before responsibility expands.

MUTUAL STRENGTH

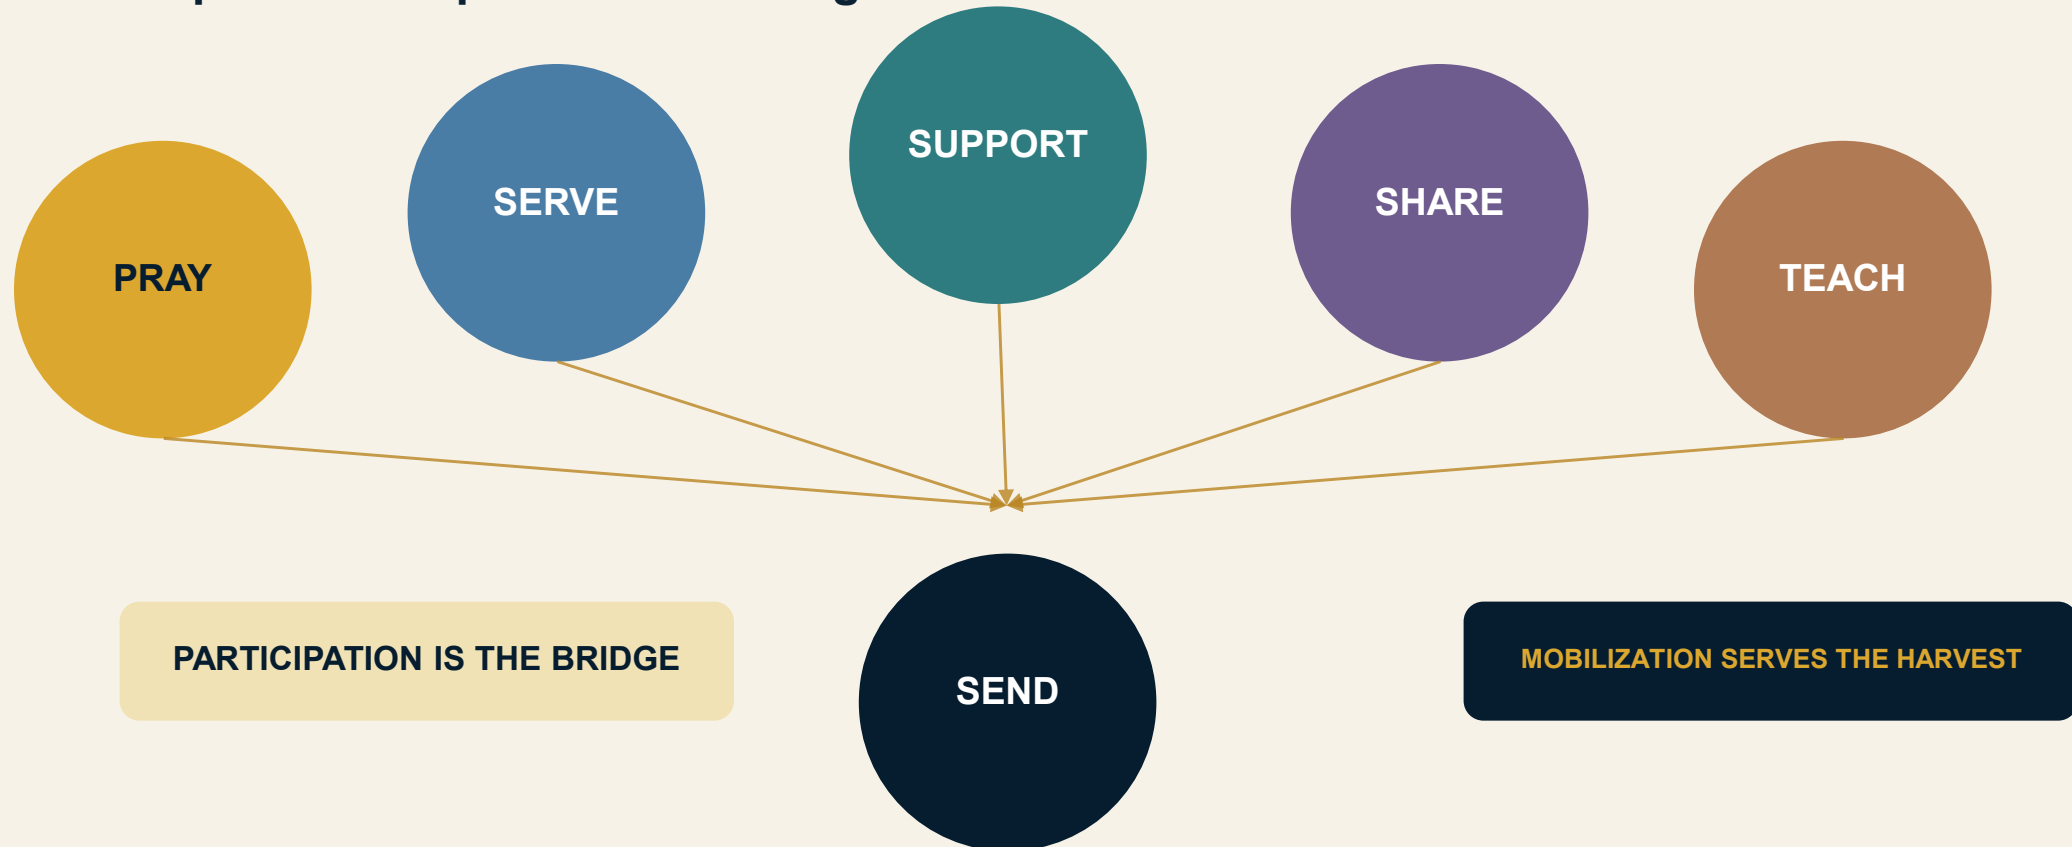

Each ministry keeps its assignment while strengthening others.
