MARKED MEN FOR CHRIST

"Building Stronger Men for Jesus Christ"

1

Phase 1: November 13-15

Little Galilee Christian Camp, Clinton, IL

Phase 1 is a transformational 44 hour experience with God and his men receiving healing and insight into their life's mission.

2

Phase 2: A deeper dive into the origins of family and personal strongholds that keep men playing small instead of bold and courageous.

3

Phase 3: A local group dedicated to each other and to staffing P1s so others can be set free to serve and grow into their spiritual capacity.

FIGHT CLUB

A 10 week intensive to strengthen a man's pursuit of loving with all his heart, soul, mind and strength.

These 10 weeks are not a competition between men, but an effort to provide **DAILY** challenges that build new disciplines that lead to effective strength training. **FIGHT CLUB** has **TWO** sessions a year. One that starts in Mid-February and one that starts in August. There are over 170 chapters of **FIGHT CLUB** in the U.S. and two international chapters that started in 2026 in Baghdad, Iraq and in Cuba. The second chapter in Cuba just launched in late September with 142 men.

"Fighting for our brothers, our sons and daughters, our wives and our homes."

Nehemiah 4:14

FARM TEAMS

Equipping men for the work of ministry. Men are taught and coached to develop the skills, mindsets and behaviors of dedicated men living with the purpose and intention that multiplies disciples of Jesus Christ.

Our Messiah's DNA –

Obedience in leaving, going, and sending
