ADDITIONAL NOTES

HOW DIDGEBRIDGE AND CLIENT WOULD PROCEED:

NOTE: Payment for month due on 1st day of month. Any "unused hours" will roll-over to next month. **All pricing in USD**

Client must choose either the above PLAN-A (3-months) or the ALA-CARTE plan options before any investment of time/resources by Didgebridge. Once this corresponding \$ payment is received by Didgebridge, services may begin. If client requests Didgebridge to invest hours which exceed brackets above, Didgebridge will inform client accordingly-while explaining the additional costs which will result. Client will then have the option of "go/No-go".

BILLING TERMS:

All payments are due on the first day of the month for any of the "Service Brackets" chosen above. No Didgebridge services will be provided until this upfront payment is received for that month. Additional hours will be billed to client at month's conclusion. Payment for these "month-conclusion" hours will be due upon receipt of invoice, along with payment for start-next-month. If a client does not use its full hours, those hours will roll-over to the next month---similar to a cellular phone carrier plan.
