Legacy Preparatory Charter Academy (CDN# 057846) Earns State's Highest Fiscal Accountability Rating

Legacy Prep officials announced that the school received a rating of "A" for "Superior Achievement" under Texas' School FIRST financial accountability rating system. The "Superior Achievement" rating is the state's highest, demonstrating the quality of Legacy's financial management and reporting system.

The primary goal of School FIRST is to achieve quality performance in the management of school resources, a goal made more significant due to the complexity of accounting associated with Texas' school finance system.

"We are very pleased with Legacy's School FIRST rating," said Superintendent Weaver. This rating shows that Legacy's schools are accountable not only for student learning, but also for achieving these results cost-effectively and efficiently."

The Texas Education Agency assigned one of four financial accountability ratings to Texas schools, with the highest being "A" for "Superior Achievement," followed by "B" for "Above-Standard Achievement," "C" for "Standard Achievement" and "F" for "Substandard Achievement. **Legacy Preparatory Charter Academy** has achieved the highest rating for 4 prior year(s).
