

## GRACE BAPTIST

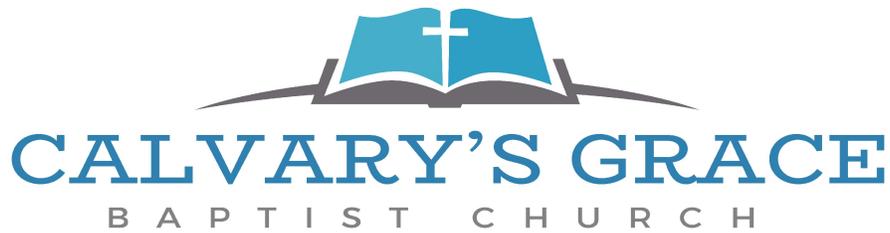

Dear pastor or church leader,

I wish to express my fullest recommendation of Dale Montgomery to your church for whatever ministerial service you would desire of him. Dale is a sincere man of God. He is a model to this generation of what it means to follow Jesus Christ with reverence and without reserve. Having known Dale since 2017, I consider him to be the epitome of faithfulness to Christ and fruitfulness in Christ. God has chosen to use many different servants with varying gifts and for various purposes. Regarding his abilities, Dale Montgomery is a complete package, and he carries himself with class, composure, and unfeigned godliness. He rules his own house very well, his wife and children serving with him and standing behind him as he serves the Lord.

If you are in need of a guest preacher speaking before your church, ministering to hearts, and providing a wealth of wisdom and ministry insight, I strongly encourage you to consider Dale Montgomery.

Sincerely,

Don Sixt  
Pastor

Dear Pastor:

As his pastor and friend I am grateful to be able to recommend Dale Montgomery and his family to you. Brother Montgomery has proven himself to be faithful to the Lord and His work. As the founding pastor of Savannah River Baptist Church, God used him to build a solid, Biblical church. After many years in a hotel conference room the Lord blessed the church with a beautiful building and property. Bro. Montgomery knows how it is to begin with nothing and see God use you to build something. He understands the struggles of a church planter and also a seasoned pastor.

Not only has Brother Montgomery been faithful to lead a church, but he also has led his family as well. His family serves with him with a gracious and willing spirit. They use their musical talent for the Lord and are such a blessing just to be around. Mrs. Montgomery is a true example of a Titus 2 lady and has supported her husband whole heartedly. Their children reflect the spirit of their parents in every way.

Brother Dale Montgomery and his family will certainly be a blessing to you and your church family in many ways. I am thankful for His stand for the Lord, His compassion for souls, and his desire to help and encourage pastors and local churches.

Sincerely,

*Pastor Brian Patrick*
