1. Who we are

AICenturia LLC, 1309 Coffeen Avenue, STE 11351, Sheridan, WY 82801, USA ("AICENTURIA", "we") operates the website aicenturia.io. We are the data controller for the personal data described in this policy. Contact for anything privacy-related: info@aicenturia.io.

2. What data we collect and why

When you request the checklist: your email address. We use it to deliver the checklist you requested and, based on your consent given at signup, to send you occasional notes on AI in real business operations. Legal basis: consent (Art. 6(1)(a) GDPR). You can withdraw it at any time using the unsubscribe link in every email.

When you book a discovery call: your name, email address, company and role, and your description of the operational problem you want to discuss. We use this to hold the call, prepare for it, and follow up on it. Legal basis: steps taken at your request prior to entering into a contract (Art. 6(1)(b) GDPR).

When you visit the site: basic technical data (IP address, browser type, pages viewed) processed by our website platform to deliver and secure the site. Legal basis: our legitimate interest in operating a functioning, secure website (Art. 6(1)(f) GDPR). See the Cookie Policy for details on cookies.

We do not sell personal data, we do not use it for automated decision-making, and we do not collect more than the purposes above require.

3. Who processes data on our behalf

We use a small number of service providers (processors) to run this site and our communications:

- **CharlieLounge / LeadConnector (GoHighLevel platform)** — website hosting, forms, calendar booking, contact management, and email sending.
- **Mailgun** — email delivery infrastructure used by the platform.

These providers process data only on our instructions.

4. Where data is processed

Our providers process data in the United States. Where personal data of visitors from the European Economic Area is transferred to the US, the transfer relies on the safeguards offered by the providers, such as Standard Contractual Clauses. By design we keep the data collected minimal.

5. How long we keep data

Checklist subscribers: until you unsubscribe or ask us to delete your data. Booking and call-related data: for as long as our conversation or business relationship is active, and afterwards only as long as legitimate business or legal reasons require. You can request deletion at any time.

6. Your rights

If you are in the EEA, UK, or a jurisdiction with similar protections, you have the right to access your data, correct it, delete it, restrict or object to its processing, receive it in a portable format, and withdraw any consent you have given. Write to **info@aicenturia.io** and we will respond. You also have the right to lodge a complaint with your local data protection supervisory authority.

7. Changes to this policy

If we change this policy, the current version will always be available on this page with its date of last update.
